

COMPROMISING OUR CHILDREN'S FUTURES

Do you know what mass incarceration is costing us?

The unprecedented growth in prison spending is one of the reasons that Colorado ranks at the bottom of states for public investment in education. This tradeoff isn't the society we want. Mass incarceration affects all of us, especially our children.

COLORADO SPENDING Report Card

PRISON

\$36,892
per inmate each year

HIGHER
EDUCATION

\$4,531
per student each year

K-12

\$4,171
per student each year

THE TIME IS NOW

The time is now to reverse the resource drain from mass incarceration and invest more in our children and their educations.
