Coalition Supporter Agreement*

Out of concern for the tremendous growth in the number of people incarcerated in Colorado, parole practices which is increasing the number of people who are homeless, and the impact incarceration and recidivism has on the lives of children, families and communities, \_\_\_\_\_(name of Organization)\_\_\_\_\_ SUPPORTS the community-based Colorado Criminal Justice Reform Coalition (CCJRC). We SUPPORT the expansion of prevention, treatment, and alternative sentencing strategies that could better address the needs of the community. Incarceration should be the last resort. We will work with CCJRC to achieve the goals of their mission in the following ways:

\_\_\_\_\_ Allow our organization's name to be used in brochures, news releases, and other materials promoting campaigns.

\_\_\_\_\_ Gather one or more groups together to hear a presentation about the CCJRC and the efforts being made stop further prison construction in Colorado or expanding the use of alternatives

\_\_\_\_\_ Make a tax-deductible donation in the amount of \$\_\_\_\_\_ to help support the Coalition in all of it's efforts.
