

## “This book saved my life.”

That’s the kind of feedback that made us take our work on the Go Guide pretty seriously, and to appreciate all of the people who have helped to make it possible. This fourth edition of the Guide owes its existence to many people, both inside and outside of prison, and we are grateful for their support and suggestions.

We want to acknowledge the ongoing initiatives and leadership within the Department of Corrections and the Colorado Board of Parole which have brought a more concentrated and strategic focus on re-entry. We also want to thank them for their input and guidance on many of the chapters regarding DOC and parole.

CCJRC has been honored to work with many legislators who have a vision and commitment to developing effective parole and re-entry policies. We are grateful for the opportunity to work with them.

We would like to thank several organizations whose generous support of our work includes funding for this volume. Those funders include the Anschutz Foundation, the Buck Foundation, Caring for Colorado, the Colorado Health Foundation, The Denver Foundation, the Ford Foundation, the Drug Policy Alliance, the Public Welfare Foundation, and the Rose Community Foundation. The generosity of these funders and our other supporters has enabled CCJRC to distribute thousands of free copies of the previous edition of the Go Guide to people in prison and on parole. We will continue this tradition with the fourth edition.

Many people helped on this fourth edition, including CCJRC staff members Pam Clifton, Terri Hurst, and Hap Pitkin; as well as our Board of Directors: Kwame Holmes, Hassan Latif, Kathleen Lord, Diva Mardones, Joe Mauro, Hans Meyer, Lisa Raville, Mandy Rigg, Leanne Wheeler, Roz Wheeler-Bell, and Mardy Wilson.

A huge thank-you goes out to our volunteers Nadine Kerstetter and Bonnie McCune for their incredible commitment of time and patience. We would also like to acknowledge all of the folks working in state and local government and community organizations who so generously gave their time and expertise to make sure we got the little things correct. Last but not least, our thanks go to the brave and insightful individuals whose personal stories have helped us to enliven and humanize this latest edition.

Melissa Harris, of Studio Harris, once again lent her talents to this volume’s design and layout, and Rick Williams at Tewell Warren once again masterminded the printing process.

As always, CCJRC dedicates this fourth edition to all those making the transition from incarceration back to the community and to all those who try to help.
